The **Teixeira family** on the birth of their second son, Paolo, brother to Cristiano.

HOCKEY

In total our teams played 30 games of hockey over the past weekend, winning 14 of them, or 46% of the matches played. We lost 10 matches and drew 6 matches. Some very good hockey was played and it is obvious that excellent skills coaching is taking place and a love for the game is being instilled at all levels.

Our Girls' 1st team went unbeaten through Friday evening's matches at Glenashley Primary, holding out for the draw against a very strong Fatima team. Our Boys' U11A team beat Clifton in a strength versus strength match, although our Boys' 1st team went down to a very good Clifton 1st team.
